

# Back to School!

August 29th, 2023

## *Meet the Teacher and Back to School BBQ*

We are so looking forward to seeing all students and parents at our Back to School Open House! Teachers and classrooms will be ready to greet families from 4pm-6pm. A hotdog bbq will be at 6pm and classrooms will be open again from 7pm-8pm. There will also be a new parent orientation at 7pm in the sanctuary of the church. Students can bring in their school supplies and see where they will be situated in their classroom! We find that this helps alleviate first day jitters and makes their first day (Tuesday, September 5) go smoother.

## *Take Note!*

### **Back to School Assembly**

Our Back to School Assembly is taking place on Friday, September 8 at 2:45pm. All parents are welcome to attend.

### **Reminder for Pick Up and Drop Off**

Check out [THIS](#) video for a reminder of how student pick up and drop off works!

## Update and Additions to Policies

We have a few updates to our dress code as well as new technology and anti-bullying policies. You will find links to all on our parent hub. There is a link to the parent hub at the bottom of this newsletter. The technology policy will need to be signed by parents and students in grades 4-8.

## *September Monthly Calendar now available*
