## ***Recess Reminder***

As the cold weather has arrived, we would like to stress the importance of students wearing appropriate winter gear. Our goal is to have students go outside for lunch and snack recess whenever possible. Students need to have the following items: winter hat, mittens/gloves, winter boots, snow pants, and a proper winter jacket. In order to help our primary teachers out, please have your child practice dressing themselves in winter gear and zipping up their jackets at home.
